The New Haven Way to Florida

Avelo initiated service from its new East Coast base earlier this month at Connecticut’s most convenient airport – Tweed-New Haven Airport (HVN). The very low-fare airline offers nonstop flights between HVN and six popular Florida destinations: Fort Myers, Fort Lauderdale, Orlando, Palm Beach, Sarasota and Tampa Bay.

Amidst the crowds, long lines, lengthy walks and traffic congestion encountered at other airports frequented by Connecticut travelers, HVN offers a refreshingly smooth and simple alternative hometown airport experience. HVN’s adjacency to multiple major highways and commuter railways make it Connecticut’s most convenient and easily accessible airport.

Avelo is the first airline to offer nonstop flights between HVN and Florida. Avelo's arrival to HVN also marks the largest expansion of service at HVN in more than 30 years. Avelo is investing \$1.2 million to help upgrade and modernize facilities and operations as part of an overall \$100 million project at HVN. The airport expansion will include a new terminal and extended runway spearheaded by airport operator Avports.

Over the past 90 days, Avelo has hired more than 85 HVN-based Crewmembers (what the airline calls its employees), including flight attendants, pilots, airport customer service representatives, operations-related roles, as well as managers and supervisors. Avelo and HVN expect to have more than 100 aviation professionals based at the airport by the end of 2021.

A Different, Better and More Affordable Travel Experience

Avelo's everyday low fares have no change or cancellation fees. There is also no charge for Customers who choose to make reservations by phone. Additionally, Avelo offers several unbundled travel-enhancing options that give Customers the flexibility to pay for what they value, including priority boarding, checked bags, carry-on overhead bags, and for bringing a pet in the cabin.

The single-class, fuel-efficient 147-seat 737-700 mainline jets Avelo operates from HVN offer a more spacious and comfortable experience than the regional jets that historically served this airport. Customers may choose from several seating options, including seats with extra leg room, as well as pre-reserved window and aisle seating.

Avelo became America's first new scheduled airline in nearly 15 years when it initiated service on April 28, 2021, from its first base at Los Angeles' Hollywood Burbank Airport (BUR). The airline – which offers a convenient, affordable and caring experience – currently serves 16 popular destinations across the U.S.

Avelo is distinguished by its Soul of Service culture. The culture is grounded in a "One Crew" mindset that promotes a welcoming and caring experience. By caring for one another and owning their commitments, Avelo Crewmembers focus on anticipating and understanding Customer needs on the ground and in the air.
