America's Most Convenient Airline

Since taking flight on April 28, 2021, Avelo has flown almost six million Customers on over 46,000 flights. Today Avelo serves 48 cities spanning 22 states and Puerto Rico, as well as two international destinations: Jamaica and Mexico.

Avelo has unlocked a new era of convenience, choice, and competition by flying unserved routes to primarily underserved communities across the country. Every route has at least one small, easy to use airport. This makes every Avelo journey a smooth, easy, and more enjoyable experience than contending with the crowds, congestion and long walks at larger airports.

Avelo is distinguished by its industry-leading reliability. Year-to-date, Avelo ranks #1 in on-time performance and achieved the lowest flight cancellation rate in the industry. These results are reported by Anuvu, a leading aviation data services company also utilized by The Wall Street Journal for the publication's annual airline ranking. Anuvu's complete industry results and rankings are available at [AveloAir.com](https://www.aveloair.com).

Avelo Customers can always change or cancel their itineraries with no extra fees. Additionally, families can travel with ease knowing every child 14 and under will be automatically seated with an accompanying adult at no additional cost.

Avelo offers advanced seat assignments for sale. One third of its seats are extra leg room seats, ranging from 32 inches to more than 36 inches, offering a more comfortable experience for Customers who value more space. In addition to advance seat assignments, Avelo offers several unbundled travel-enhancing options that give Customers the flexibility to pay only for what they value, including priority boarding, checked bags, carry-on overhead bags, and bringing a pet in the cabin.
