### **Tweed-New Haven Airport – The New Haven Way to New England and New York**

HVN is located on Connecticut's coast and is a convenient gateway to all 15 towns that make up Greater New Haven. HVN's adjacency to multiple major highways and commuter railways makes visiting the New England and New York regions easier than ever. The airport is a refreshingly smooth and simple alternative hometown airport experience that will make visiting Southern Connecticut faster, easier and more relaxing than ever.

Best known as the home of Yale University, New Haven is the second-largest city in Connecticut and is part of the New York metropolitan area. The coastal city has experienced—and continues to enjoy—a renaissance. Within an easy stroll from the New Haven Green are more than 100 distinctive restaurants, offering something for every palate, and the city abounds with theaters, museums, and shopping destinations to satisfy all interests and tastes. Last year, New Haven joined iconic cities like Auckland, London and Istanbul to make the prestigious New York Times 2023 “52 Places to Go” list. Whether visiting family and friends or just looking for a vacation, there is a wealth of things to explore in The Cultural Capital of Connecticut.

### **America's Most Reliable and Convenient Airline**

Since taking flight on April 28, 2021, Avelo has flown more than 6.3 million Customers on nearly 50,000 flights. Today Avelo serves 53 cities spanning 23 states and Puerto Rico, as well as three international destinations: Jamaica, Mexico and the Dominican Republic.

Avelo has unlocked a new era of convenience, choice, and competition by flying unserved routes to primarily underserved communities across the country. Most Avelo routes have at least one small, easy to use airport. This makes traveling with Avelo a smoother, easier and more enjoyable experience than contending with the crowds, congestion and long walks at larger airports.

Avelo is distinguished by its industry-leading reliability. In 2024, Avelo ranked #1 in on-time performance and achieved the lowest flight cancellation rate in the U.S. airline industry. These results are provided by Anuvu, a leading aviation data services company also utilized by *The Wall Street Journal* for the publication's annual airline ranking. Anuvu's complete industry results and rankings are available at [AveloAir.com](https://www.aveloair.com).

Avelo also delivers world-class customer satisfaction, exemplified by our Net Promoter Scores (NPS), which consistently rank among the best airlines and most admired brands in the world.

Avelo offers an abundance of advanced seating options. One third of its aircraft seats (Avelo Premium and Premium Economy) offer extra leg room — ranging from 32 inches to more than 36 inches of pitch. These seats offer a more comfortable experience for Customers who value

more space. Customers can also purchase window and aisle seats in advance of their flight. In addition to advance seat assignments, Avelo offers several unbundled travel-enhancing options that give Customers the flexibility to pay only for what they value, including priority boarding, checked bags, carry-on overhead bags, and bringing a pet in the cabin.

Additionally, families can travel with ease knowing every child 14 and under will be automatically seated with an accompanying adult at no additional cost.
